Dearest Brother + Melba,
Just a note to-
night as I want to mail
several of Frank's letters hop-
ing they reach you before
brother has to leave again.
It's nearly time for the last
mail collection and I
don't want to miss it.

There really isn't much
news here, anyway, so you
aren't missing anything!
Write us soon.

Love

Sister

Just got the letters together. There (over)

are a couple of more "regular"
ones but they have "requests"
in them so will hold them
until we can mail them ^(the requests)
and get the filled stamp
on them.

Love again -

Hurriedly

Sister
